24	\$48	12	6	\$14 \$10 \$8 \$6 \$6 \$4

Open (Advanced) pays about 1/3 of the field. AM (Amateur) pays about 1/2 of the field and also favors paying a bit more to lower scores than Open. With ties, add payout amounts together and split. Odd man out playing doubles gets mulligan on each hole. This table is loosely based on the Platypusdisc amateur payout table. League director may change amounts at their discretion. **MUST BE PRESENT TO COLLECT WINNINGS.**
